Support

Notes

This second set of wireframes will include edits from the first round of the Home page, Profiles, and Resource Center.

It will also have wireframes of the Login, Enrollment, and Forums.

Questions

Profile Updates
What information / form fields should we include when the user is sending in their updates? Does this tie in with a different Adobe site? How does the points system work in the back end?

Login/Enrollment
Is this tied in with a different Adobe site? (ie. this login works somewhere else) What information do we need when they are signing up?

Resource Center Assets
Where are the assets stored?
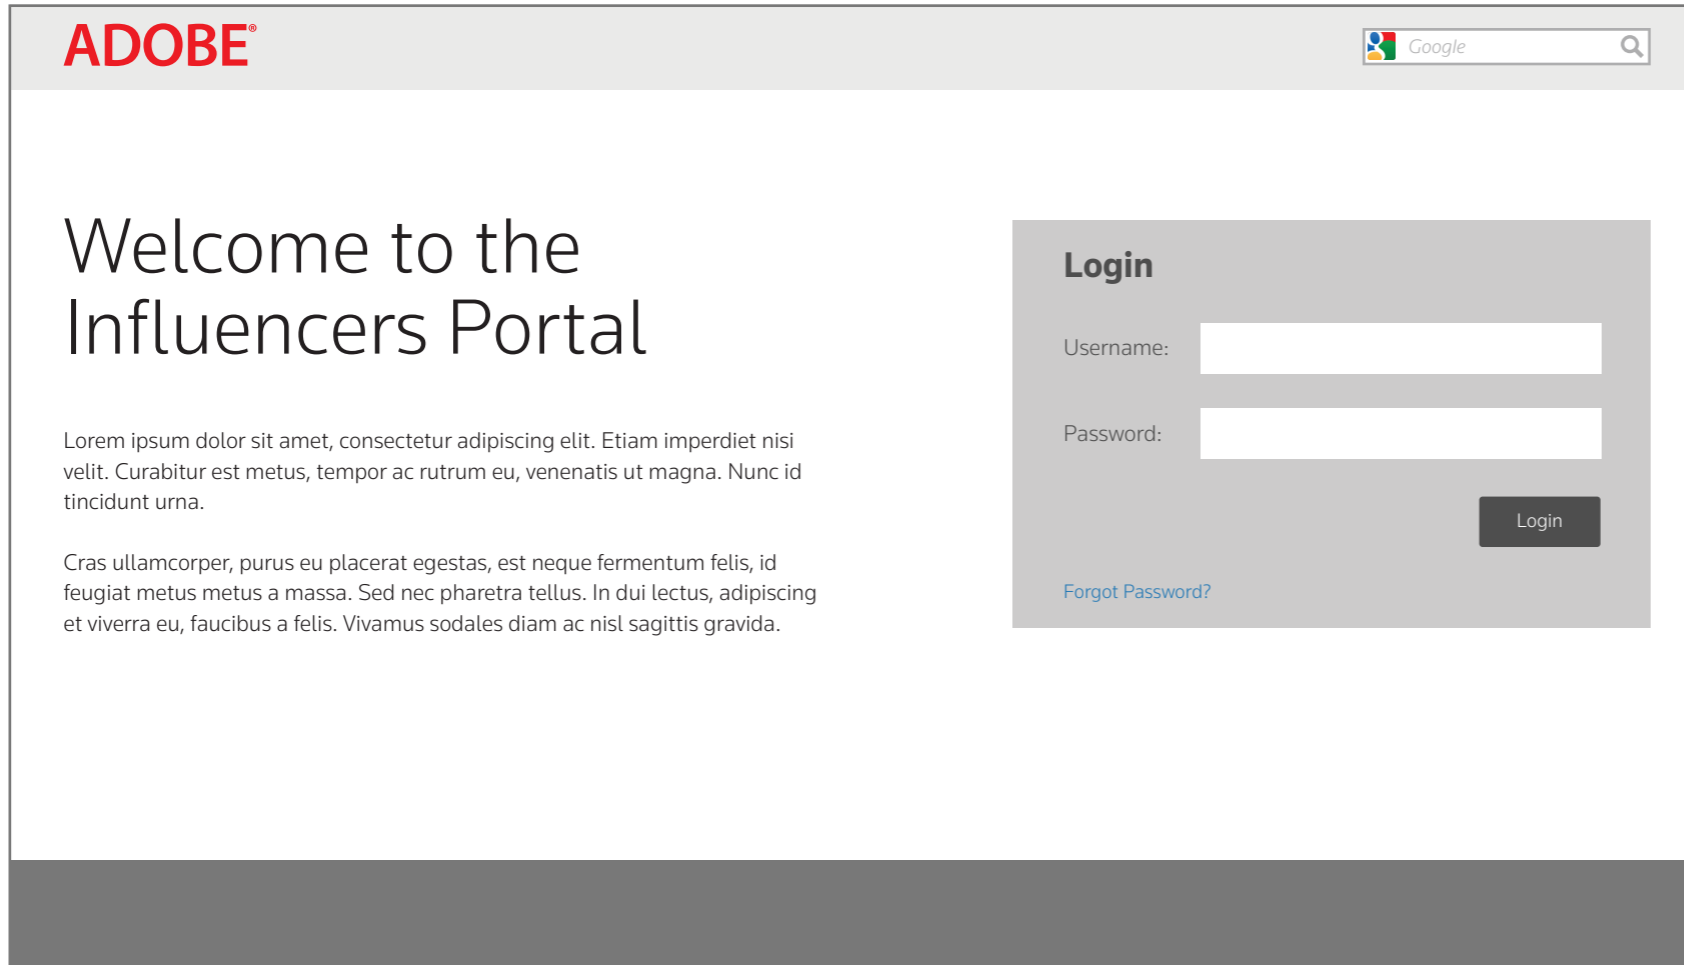

Adobe Branding
Does the header of the site fit in with the Adobe branding guidelines? What will be the logo/name for this site? What other guidellines will we need to be aware of when we are doing the visual design?

Forums
How much customization do we want on the forums vs. what is available with CQ?

Search
Are we using Google search or a built-in within the site search engine?

Notes

Privacy   It will need to be discussed if a user is able to control what gets shown to other members and to the general public (ie. when their profile gets shared to their personal website).

1 **User Information**
The information shown are: User's Image, Name, Member Status Badge (Gold, Silver, Bronze), Adobe Products Used (also adds them to the respective mailing list), Email/Social Media contact information, and a short biography.

2 **Add to Contacts / Share**
A user can add another member to their contact list via the star icon. S/he also has the ability to share another member's profile to social networks / blogs.

3 **Twitter / Blog Updates**
Members can import their Twitter or blog feeds to their profile.

Blog   Importing blogs will differ from site to site depending on the type of feed available.
