The Avengers

2007 | PG-13 | 143 mins

★★★★☆ (4.5)

Why settle for a single superhero, when you can have an all-star team? S.H.I.E.L.D. director Nick Fury brings together the perfect cast of characters (as does film director and co-writer Joss Whedon) to defend the world from utter destruction, in a blow-em-up blockbuster full of thrills, laughs and super sweet gadgets. All YOU have to do, really, is sit back and decide which Avenger you'd most like to have over for dinner.
